February 2019

Library Links:

- - New books are here with more coming in soon! We have received many books that can be added to lessons and used in various subject areas. Another big shipment is on its way. As always, let me know if you have something specific you would like me to purchase for the library.
- Beginning the first week in February, the library will be hosting PVAC sponsored performers for each grade level. **Reading Teachers: Pay close attention to the library schedule and lesson plans to know about these special events.**
- The library will NOT have scheduled classes February 19-22 due to Spring Pictures. We will be open in the afternoons for book checkout.

DON'T FORGET TEACHER BOOK BOXES! LET ME KNOW HOW I CAN HELP!!

App Central:

-Froggipedia

This amazing app is interactive and set in an augmented reality format to teach kids about the frog life cycle and body parts.

-Box Island

This award-winning app reinforces STEM learning in a fun way. Students learn to code and problem solve all while having fun!

Website Watch:

<http://www.storylineonline.net>
