

AVID TUTORS NEEDED:

What is AVID?

Advancement Via Individual Determination

- College and career prep system for students in both middle and high school.
- Focus on student achievement and rigorous learning for targeted students.
- Tutors used to enhance learning experiences through research-based tutoring practices.
- Competitive wages and flexible hours during the school day/week.

Your Role as a Tutor:

Tutors are training in research-based tutoring methodologies in order to better serve our students. Through this tutoring practice, tutors facilitate as students critically think through their understanding of classroom concepts.
