Partnership Meeting

September 6, 2018

Silsbee High School Library

Attendees

Ken Lamartiniere, Wendi Standley, Michelle Powell, Dawn Katz, Miranda Phillips, Sherri Thornhill, Paul Trevino, Cassie Balla

A. Confirmation of student schedule changes

The student schedule changes that had been sent via email to Dawn Katz were confirmed. The change will not show in Blackboard® until all the LIT changes are made and they will all be removed from the website at one time. If the student looks on their Banner the class will not be there to confirm the drop.

B. Current Deadlines/ID

September 12 is the drop date for classes.

C. Pep rally schedule

Silsbee ECHS students will remain on the college schedule during the four pep rally days and be admitted to high school classes at a later time on those dates.

D. Parent meeting for incoming freshmen regarding Blackboard

Even though parents do not use the Blackboard® feature, a suggestion for benchmark 4 was submitted that a training is held to ensure the incoming freshmen were utilizing all aspects of the site to accommodate the learning process. SHS will conduct the training. Miranda Phillips suggested this would demonstrate good leadership abilities if an upper class student guided the presentation.

E. ECHS Board Recognition October 9

The Silsbee School Board will recognize the Cohort 2022 students at the next board meeting on October 9, 2018, at 7 p.m. LIT representatives will make plans to attend and present their certificates. We have 38 students in the incoming Cohort 2022.

F. October 5--make up for time

Each college class must meet for the required 2400 minutes. For the fall semester the ECHS students will attend classes on October 5, a Silsbee ISD teacher workday and a student holiday, to achieve the required minutes. Cassie Balla will confirm the actual minutes scheduled for each class. If additional minutes are required, a date may be scheduled through Dawn Katz regarding the professors.

G. Schedule for next semester

A general discussion regarding the classes needed for the upcoming semester included SPCH1315, ART 1301, ENGL2326, MATH 1314, HIST1302, SOCI1301.

Miranda Phillips suggested that at the October meeting the partnership have firm plans on the professors and times to discuss.

H. Wireless access at Robinson campus

Discussed was the wireless access on the Robinson campus and students unable to use their Chromebooks® during the first week of school due. One course was believed to have online textbooks. Dawn Katz confirmed LIT does not support textbooks online. Recommendation was made to have students download textbooks and/or assignments to the Chromebooks while at the SHS campus. The class has access to the computer lab to accommodate their Ebooks®.

Other

Google calendar invites will be sent for the remaining meeting for this partnership. Miranda Phillips will send for LIT. Cassie Balla for SHS.
